PROFESSIONAL SUMMARY

My name is Caden Roberts. I am a 19-year-old student at UCSC. I've earned an AA-LibArts:Sci&Math, as well as an AS–Mathematics from West Valley College. I will earn my BS in Computer Engineering, with a concentration in Systems Programming, by early 2025. Through my coursework, I have gained comfort and skill in C++ and Python, as well as familiarity with various software development tools and techniques. I have also completed several React/JS/HTML projects that have given me webdev experience, such as my Portfolio website I built to demonstrate what I've learned through my programming courses, or my React site about cookies. While I am still early in my career, I am excited to continue learning and growing as a Software Engineer.

EDUCATION

Bachelor of Science (B.S.) - Computer Engineering (Systems Programming Con.)   June 2025
University of California, Santa Cruz, Santa Cruz, CA
Student at Baskin School of Engineering

AS-Mathematics, AA-LibArts:Sci&Math - Computer Science + Business   May 2023
West Valley College, Saratoga, CA
GPA: 3.9
C++ & Python Programming, C++ Data Structures, Discrete Math, Engineering, Physics, Calculus, Accounting, Business, Law

EXPERIENCE

Waiter   February 2021 - May 2023
Willow Street Pizza | Los Gatos, CA
I provided upscale-casual service and served American-Italian food, as well as beers, wines, and cocktails, to the patrons of Los Gatos. Big on teamwork and reliability.

WEBSITES

My Portfolio site, which I mostly built across HTML pages: **https://cadenroberts.github.io/myportfolio/**

My Cookie site, which I built using Node/React+HTML/CSS/JS: **https://cookiecommunity.netlify.app/**
